

Dear Anton Pannekoek,

43A/114

the enclosed letter may interest you as one reaction to your book. Maybe you even care to answer the man. He is Dr. Joachim Schumacher at the address stated on his letter. He is an instructor on some College here and published a book, I think, in France, on some philosophical issues. I cannot enter the discussion at the present time because I am busy with my preparations for my trip. My boat leaves April 3rd. I will be in Bremerhaven April 13th. I do not know exactly how much time I will be able to spent in Germany. Officially I am only allowed to stay 30 days. I will try to take a Dutch boat back and thus will be in Holland for a few days. I hope to be able to see you and will write to you from Germany when to expect my visit.

With my best wishes,

*Pannekoek*
