Dear Comrade Pannekoek,

Members of the I.L.P. have shown great interest in your book "Workers' Councils" and we are contemplating publishing extracts from it in an industrial pamphlet. I feel quite sure that you will have no objection to this providing full acknowledgement is given, and look forward to getting your approval.

I should also appreciate fuller details about the publication of the book. One or two people have asked me how they can purchase a copy and I would like information about this. It would be helpful if copies were available from this office but, due to the currency regulations, it is difficult for us to arrange for payment at the moment. If, despite this, you are able to arrange for us to have a few copies of the book I shall be most grateful.

Looking forward to hearing from you in due course.

Yours sincerely,

G.W.Stone
